

## **Available Energy Efficiency Incentives**

### LIHEAP/WAP (Low-Income Home Energy and Weatherization Assistance Programs):

Federal program administered locally by Community Action Agency of San Mateo. Bill payment assistance and weatherization for customers up to 75% of State Median Income. Addresses health, safety, and energy efficiency; both single family and multifamily, & serves customers up to 75% of State Median Income.

### PG&E Assistance Programs:

- LIEE (Low Income Energy Efficiency) in conjunction with SVEW (Silicon Valley Energy Watch): Energy efficiency audits, upgrades, and education for low income (under 200% of federal poverty level, served by PG&E LIEE) and moderate income (above 200% of federal poverty but below 80% of County Median Income, paid for by SVEW but same program delivery channel) households.
- CARE (California Alternative Rates for Energy)
- FERA (Family Electric Rate Assistance): for large families
- REACH (Relief for Energy Assistance through Community Help): emergency energy assistance to low-income families within the PG&E service area who are in jeopardy of losing their electricity services
- Medical Baseline
- Third Party Notification
